VINYL MURALS: Super quality for hanging on walls behind baptisteries, foyers, prayer rooms, ceilings. Made with heavy grade dyes and vinyl with U.V. protection. Scenes that are larger than 5 feet wide will require that the image come in more than one piece. The seam is hardly noticeable.

BACK-LIT SCENE: ¼" clear polycarbonate laminated with backlit film for fluorescent lit shadow boxes. Perfect behind baptisteries. Can be mounted in rolling frame attached to ceiling. Can be used in ceilings. When image is made in more than one piece an "H" connector bar is needed to connect the pieces. Should a different size than what is offered be needed an additional modification fee is added. The owner is responsible for creating his own shadow box. Religious images are designed for shadow-box lighting only... not in sunlit windows. Crating included in price.

***Number of Pieces refers to the number of "H" connectors needed**
